

PARTY GUIDELINES AND SAFETY INFORMATION

- The hirer may arrive up to 15 minutes prior to the party start time to set up food and decorations.
- The party room must be vacated within 15 minutes of the party end time in order for the room to be cleaned for the next activity.
- The hirer is welcome to bring Birthday banners, balloons and posters but these may only be attached to the windows and mirrors using blue tack (no sellotape). Any damage to the walls or painted surfaces, fair wear and tear excepted, may be charged. Tables and chairs will be provided. All other items are to be provided by the hirer.
- Should the fire alarm sound, the hirer and their guests will await instructions from the Leisure Centre staff and, if instructed to evacuate, exit the building slowly and safely at the nearest possible fire exit and go directly to the fire assembly point in the car park. DO NOT stop to collect personal belongings. The Leisure Centre staff will check all areas of the building. Once evacuated, DO NOT re-enter the building until it is declared safe to do so.
- The pool admissions policy applies to all pool parties and the hirer, and their guests must at all times follow instructions and safety guidelines given to them by the Lifeguard/s on duty.
- Appropriate clothing must be worn.
- All users must follow any specific rules and regulations in the area in which the hirer is hiring; failure to do so may result in the management stopping the activity.
- Lockers are available for the safe keeping of goods and personal effects; Leisure Centre staff will not be able to take responsibility for the hirer's goods and personal effects.
- The use of photographic and/or recording equipment must only be used after prior permission has been obtained from the Operations Manager on duty. See below.
- All parties must be supervised at all times by at least one responsible adult over 18 years of age. The party hirer will assume this role to ensure the safety of all children.
- Active4Today will provide a member of staff to supervise the Air-X for up to 60 minutes, after which all children should leave the Air-X inflatable.
- The blowers must not be switched off or disconnected whilst in use - in the event of deflation, please evacuate children immediately and notify a member of staff ASAP.
- All jewellery, loose objects, (including bracelets, glasses, and earrings) and footwear must be removed before using the Air-X and pool inflatables.
- Any injuries or accidents in any party must be reported to the Operations Manager immediately.
- Extra care and vigilance must be maintained when younger children are attending any party.

PHOTOGRAPHIC AND FILMING POLICY

In the interests of safety, any member of the public wishing to use photographic and/or recording equipment, including mobile phone cameras, must obtain prior permission from the Operations Manager or session leader.

Consent may be given for closed sessions where control is possible, and all of the participants freely agree to the usage e.g. birthday parties.

Occasionally Leisure Centre staff may wish to take photographs for promotional purposes, both of internal and external usage.

The images will only be used for Leisure Centre benefit and will not be used by outside organisations.

PARTY CANCELLATION POLICY

Party bookings must be paid in full at the time of booking and are non-refundable, however, Active4Today will endeavour to reschedule the party booking on an alternative date within 12 months of the original booking.
